Education

Vishwakarma University

Bachelor of Technology in Computer Engg, CGPA – 8.59

Aug 2023 – May 2026

Pune, Maharashtra

Sanjivani K.B.P. Polytechnic

Diploma in Computer Technology, Percentage – 86.00

Sep 2020 – May 2023

Kopargaon, Maharashtra

Chh. Shambhuraje Madhyamik Vidyalay

State Board, Percentage – 80.80

2009 – 2019

Shirdi, Maharashtra

Relevant Coursework

- Data Structures
- Software Methodology
- App development
- Database Management
- Web Development
- UI/UX Designing
- Operating Systems
- Computer Organization

Work Experience

Creators Research and Technologies Pvt. Ltd.

Web Developer Intern

Present

Pune, Maharashtra

Presently, I am interning in the domain of web development on a project named TrimTime. The project is about developing a website to book appointments in nearby salons. My working domain would be the interface of the customer and salon owner. In this internship, I get to improve my front-end and back-end skills while providing an end-user with a seamlessly easy experience.

PhoenixZone Technologies

Software Engineering Intern

Jul 2022 -Aug 2022

Pune, Maharashtra

- Python programming during my internship at PhoenixZone Technologies focused on the basics and their practical implementation. I developed the skill of working on practical projects in writing clean Python code and learning the core concepts of the language.
- Working with the group, I did solutioning for coding challenges and developed projects by implementing the solution in Python and using relevant libraries. This experience, while helping in honing my technical skills, especially improved my teamwork and problem-solving skills in a professional context.

Projects

Leveraging Farming Equipments / Website

Sept 2023

I developed a website that connects farmers with modern farming equipment, allowing users to browse, compare, and rent or purchase a wide range of tools and machinery to enhance agricultural efficiency and productivity.

ToDesktop / Clone Using Tailwind

June 2024

Successfully build the ToDesktop project clone with Tailwind helped me improve my CSS and responsive design skills.

Skills

Frontend Development: HTML, CSS, JavaScript, React.js, Tailwind, Bootstrap

Backend Development: Node.js, Express.js, Firebase, MongoDB, MySQL, PostgreSQL

Tools & Technologies: Git, GitHub, Postman(API Testing), VS Code

Leadership/Extracurricular

Developer Student Club (DSC)

Technical Team Member

Aug 2022 – Jun 2023

Sanjivani K.B.P. Polytechnic

Achievements

- First place, Project Competition 2023, Ajit Dada Pawar Polytechnic, Wadala Mahadev
- Runner Up - Sanjivani K.B.P Polytechnic, Kopargaon - Institute Level Project Competition
- Participant, National-level Project Competition, S.N.D. College of Engineering and Research Center, Yeola
- Published research paper "Leveraging Farming Equipment's" in Second National e-Paper Publication, Sanjivani K.B.P. Polytechnic, Kopargaon
